Education

Boğaziçi University

Istanbul, Turkey

Double Major: B.S. in Industrial Engineering & B.S. in Computer Engineering

2022 – 2027

GPA: 3.74

Relevant Coursework: Data Structures & Algorithms, Systems Programming, Machine Learning Methods, Digital Systems, Computer Organization, Database Systems; Operations Research, Probability, Statistics, Statistical Forecasting & Time Series, Systems Simulation, Graph Theory Applications

Cağaloğlu Anadolu High School

2017 – 2022

Skills

Programming & Databases: Java, C, Python, R, SQL (MySQL, SQLite); Basic knowledge: Verilog, RISC-V Assembly

Engineering & Simulation Tools: Gurobi, Simio (discrete-event simulation), AutoCAD

Languages: Turkish (Native), English, German (C1 - DSD2)

Experience

Student Assistant – IE201 (Intermediate Programming in Python)

October 2025 – January 2026

Data Management Bootcamp Trainee – Damalink

July – September 2025

Completed a data management bootcamp that covered data modeling techniques, data warehouse/datamart design, ETL processes and data integration strategies. Designed and implemented a complete data pipeline, including relational schema design, staging, data warehousing with ETL, and data mart design to support SQL-based analytics.

Intern – Crewlabs (Startup)

July – August 2025

Contributed to the development of a voice-enabled AI assistant module for *Hotelcrews*, an hotel management app developed by Crewlabs, which enabled users to create orders via voice commands and retrieve real-time team information.

Math Tutor

2022 – 2023

Conducted problem solving sessions at a private educational center & provided private math tutoring for 3 students for the university entrance exam.

Extracurricular Activities

Sabancı University Optimization Challenge – Finalist

May 2025

Solved a two-stage multifacility location problem involving healthcare unit allocation as part of a team, using Gurobi and Python.

Interests

Operations Research, Nonlinear Programming, Graph Algorithms, Statistics, Systems (Computer Architecture, Memory Systems, Networks), Free & Open Source applications, LaTeX, Piano
